

Year End Giving Initiatives

2010

Each year-end we like to highlight two giving opportunities for our church family.

Oasis' Future Fund

This initiative has a local focus so our church family has greater freedom to respond to opportunities in the future. At this point we are not exactly sure if the next step will be: land, a building with land, renovation on an existing building, and so on. But we do know we want to be prepared to respond when God leads - and this next step will likely have a high price tag.

Please prayerfully consider investing into Oasis' future location – a place that will be used to create environments wherein people are encouraged and equipped to pursue intimacy with God, community with insiders, influence with outsiders.

Funding Opportunity: Each dollar given goes towards the hope of obtaining a permanent facility for the Oasis family.

Response to the H.I.V./A.I.D.S. Pandemic in Africa

Partnership with Compass Point Community Church

in Soshanguwe Township, Pretoria Area, South Africa

Our donations enable this church family to provide home-based care to families affected with HIV/AIDS. This care includes monthly groceries, clothes and school uniforms. The impact of our giving has already been significant. Not only are people being fed but many are drawing closer to God and accepting His love.

Funding Opportunity: For each multiple of \$570 (USD) that is given through our church - we will provide home-based care, for a family, for a year.

Thank you so much for prayerfully considering these opportunities! Here is a promise for you from the scriptures, something to encourage you as you consider giving.

1 TIMOTHY 6:18-19

Be rich in good deeds, and be generous and willing to share. In this way they will lay up treasure for themselves as a firm foundation for the coming age, so that they may take hold of the life that is truly life.
